As one of our **SCIENCE AMBASSADORS** who were recognized last 2023 RSTW, we would like to express our sincerest gratitude for accepting the role of advocating science, technology, and innovation (STI) in your respective city. As such, we would like to request an **Ambassador's Report** from you on what were the initiatives that you have done to advocate STI in your area.

The **Ambassador's Report** will include:

- 2-3 minutes talk which will center on your STI initiatives in your city
- Raw photos/video clips of the initiatives conducted.
